PERSONAL PROFILE

I have always sought a career as a pilot, and am currently looking for a First Officer position. The motivation that prompted me to pursue my dream will increase and motivate me to work for what I have always dreamed of doing. I am determined and eager to learn as much as possible, in order to achieve personal and professional growth advancement. My past work experiences have trained me to grow my passion for the group and to know how to work in any circumstances required and under any pressure, I also enjoy working together with a team and I think it is formative to increase my skills.
